Hi and welcome to the **2019 New Zealand Elliott 5.9 National Championships** hosted by the **Napier Sailing Club**.

- Friday 10th May

- Saturday
 - Club house and bar will be open

Prize giving dinner.

This is a three-course menu. If Sunday, the reserve day, is required for sailing, the dinner will still take place on the Saturday night. We are requesting numbers attending and payment as part of the entry process to help assist with catering. We can accommodate some late changes to numbers, but significant changes may not be able to be catered for.

Accommodation.

There is plentiful motel accommodation located in very close walking distance to the club. If you need a hand with accommodation, please contact us.

Other.

We are aware that this event may clash with a shorthanded sailing event. We did look at the option of changing the dates of this competition but unfortunately any change of dates clashed with other Napier Sailing Club events and could not be approved by the club committee.
